Hi Dave,

Happy New Year! With regards to this project, I am meeting with the arch. next week. This will be our second meeting and from what I can recall, we should be good to issue permit if they get all the clearances signed off from City Planning. Let me know if you have any other questions.

Dear David:

I am trying to help one of my stakeholders in the Hollywood Media Business Improvement District regarding the above referenced property. This property has been sitting in the City since August and we are trying to get the necessary permit or approval from the City to allow a use for classrooms. Here is the link from the city that I located within LADBS: [850 N. Cahuenga Blvd - Change of Occupancy Community Classroom](#)

Can you help me shake this loose from the City? Thanks for all your assistance.
